If you are mailing in your order, please enter your complete account number, expiration date, and bank name. Make sure to sign the order form! We verify all credit card orders for your protection—in rare cases this process may cause a slight delay in shipping.

Using Gift Cards or Summit Bucks

Use your Summit Gift Cards or Summit Bucks over the phone, online, in our retail stores, or for mail-in orders. Just use the certificate number when you place your order. You can spend the entire face value or part of it. The unused balance remains in your account until you place your next order. Summit Bucks must be used by the expiration date.
